

Five Days in Armenia: Exploring the Country's History, Culture, and Beauty

Welcome to Armenia! This is your first date with this incredible country, rich in historical and cultural landmarks, unique architecture, delightful cuisine, and, of course, hospitable and friendly people. Just like with any first date, we don't get a second chance to make a first impression, so we'll do our best to make you fall in love with Armenia right from the start.

Next, we'll travel to the Azat River gorge, where the natural wonder known as the Symphony of Stones awaits. Feel the invigorating breeze from the river as you capture the beauty of the "basalt organs" in your photographs.

Later, we'll have lunch at the village Garni with the local family.

Following the lunch, we'll explore Geghard Monastery, a UNESCO heritage site. This 13th-century wonder is partially carved into massive rock.

Afterwards, we'll return to the city, making a final stop at the Vernissage Flea Market.

Day 4: Lake Sevan - Dilijan - Haghartsin Monastery

Today, our journey continues as we board our coach towards Lake Sevan, affectionately called "our sea" by the locals. Lake Sevan ranks among the world's largest high-altitude freshwater lakes. Our first stop leads us to the lake's peninsula. Here we will visit Sevanavank Monastery, where you will enjoy an amazing view of the serene lake and the towering mountains.

Then the road will lead us to Tavush, the greenest region of Armenia. As we navigate the winding serpentine roads towards beautiful town Dilijan you will enjoy captivating views of Dilijan National Park. Then we'll have a short stop at the old town of Dilijan to visit some craftsmen of the town.

Then our journey continues to Haghartsin Monastery, nestled amidst lush green forests.

This white beauty is home to a trove of captivating stories. And while you're here, be sure not to miss the opportunity to savor the local monastery honey!
